## Foreword

*Dear All,*

*Greetings to you all in the name of our Lord!*

*Our Orthodox Sunday school education aims to help young people to gain fundamental knowledge of Orthodox Christian faith, tradition, and Biblical knowledge for their spiritual growth. Sunday school teachers play a pivotal role in meeting the objectives of the OSSAE not only from a traditional perspective but also from a holistic point of view to help children to understand the Christian way of knowing the world and its creator in order to lead a successful life.*

*OSSAE-UK has taken various steps to co-ordinate Sunday school activities in UK since its formation on 24th August 2012 and it has adopted and implemented the most suitable centralized program for our region in affiliation with OSSAE. OSSAE-UK has developed the curriculum and co-curricular programs with the objective to meet the standard of its umbrella organization, the OSSAE. Some pertinent modifications with regard to the Sunday school curriculum have been made within the regional context in consultation and later gaining necessary approval from the OSSAE. This was needed in order to overcome certain challenges and to encourage active participation and also to offer an enjoyable Sunday school learning experience for our Sunday school children living in UK. OSSAE-UK follows OSSAE Central curriculum and the recently revised Sunday school English text books.*

*I am grateful to the service of our dedicated OSSAE-UK team. Let me convey my sincere thanks to our Thirumeni, H.G. Dr. Mathews Mar Thimothios, Respected Vicars, OSSAE-UK Director, Secretary, Treasurer, District Inspectors, Head teachers, Teachers, Volunteers and Parents.*

*I prayerfully release the Syllabus and Examination Circular for 2018.*

*Yours in Christ,*

*Rev. Fr. Anoop Malayil Abraham*  
*(Vice President – OSSAE-UK)*

# Syllabus and Examinations

**Syllabus** for the first centralized examination in 2013 was developed based on the best principles and features of OSSAE-Central, OKR, and OSI. Secondary School Final Certificate (SSFC) / class X final examination of OSSAE was conducted in 2013 based on the new curriculum model with 100% success rate. The positive experience from the previous years helped us to structure the syllabus with the hope that children learn most common worship songs and prayers while they progress through the Sunday school curriculum over the years. There are three main elements involved for assessment during the Sunday school year: **Half yearly Examination, Annual Examination and Internal Assessment.**

## Half yearly Examination

In all classes, **40%** of the lessons from the main text books are designed for half yearly examination. Please refer Syllabus of individual classes for details. Half yearly examination for all classes except 10 & 12 should be conducted on Sunday, 10<sup>th</sup> of June 2018 and classes 10 & 12 on 1<sup>st</sup> July 2018. OSSAE-UK will provide the question booklet for Class X and XII half yearly examination by email and the corrected question answer booklet should be send to the OSSAE-UK Director by email or post on or before 31<sup>st</sup> July 2018 in order to register those students for Annual Examination. For the remaining classes, teachers from the respective units should prepare question papers for half yearly examination based on the Question and Answer template attached with this Circular.

## Annual Examination

In all classes, rest of the 60% portions (excluding the half yearly portions) from the main text books are designed for annual examination. In all classes, portions assessed at half yearly stage are **not re-assessed** during annual examination with the exception of songs and prayers. In order to ensure requisite learning is achieved and competencies are accounted for, the students are rewarded from their half yearly performance. Half yearly examination marks are graded and awarded to each student in their Internal Assessment.

† Annual Examination for classes from preschool to class IX and class XI to be conducted on **9<sup>th</sup> December 2018 (Sunday)** between the time **12:00-14:00 hours**.

† **SSFC [Class X] and Veda Praveen [Class XII] Examination** will be conducted on **29<sup>th</sup> December 2018 (Saturday)** between the time **10:00-13:00hrs**.

† For class X and XII, name of students must be registered for examination with OSSAE at the **latest by 31 July 2018** via OSSAE-UK Director through District Inspectors and corrected answer booklet of half yearly examination must reach OSSAE-UK Director by this date.

† Writing class X and XII Annual Exams in Kerala is not advised, however due to continued requests, OSSAE has made provisions for it. Examination will be conducted based on the syllabus and timings of OSSAE.

## **Internal Assessment**

Internal Assessment (IA) is a modified assessment tool developed for OSSAE-UK in order to encourage active participation of children in various practice-based learning within the Church. The idea of brilliance behind the internal assessment tool was originated by the OSSAE however was not fully successful in using the tool transparently and effectively for the purpose. Through a holistic way of approach, we hope Internal Assessment should help us to reward a child's participation in and out the class room activities within the church. Now, it is the collective responsibly of teachers to make sure system is not misused, hence teachers are advised to take extra care during assessment process. Internal assessment carries maximum of 25 marks which is approximately 20-25 % of senior class's total annual marks of the school year and 50% of lower class's annual marks. For year X and XII, Internal Assessment need to be send to OSSAE along with the final answer booklet after obtaining signature from the parish Vicar. For the effectiveness and uniformity of Internal Assessment system across all Sunday schools in UK, teachers are firmly advised to verify their assessment with another teacher/head teacher if a student's internal assessment marks exceed 75% marks (18.75 marks out of 25 marks) in all classes.

### **Guidance for grading Half Yearly marks in Part D of Internal Assessment**

	<b>% of Half yearly marks</b>	<b>Marks in Internal assessment sheet</b>
Participation	Up to 40%	2
Satisfactory	41% - 60%	4
Good	61% - 80%	8
Excellent	81%-100%	10

†Project work for classes of preparatory-class 3 can be simple assessments.

† First and second place holders at Unit, District and Diocesan levels will be decided based on student's annual written examination marks only, excluding Internal Assessment marks.

**Private students** of both Class X and XII to register through their local Sunday school unit and carry out course works including half yearly exams and additionally assigned work to compensate for their attendance under the guidance of their supervising teacher assigned to them by the head teacher.

**Internal Assessments for Private Students:** Private students also should have an Internal Assessment for maximum marks of 25 each year. However, instead of Part B (Attendance 2 Marks) and Part C (participation 3 marks) in school activities, private students could undertake an additional assigned work within two pages which carry a maximum of 5 marks. Private students can select a topic for the assignment of their own based on any relevant topic in consultation/agreement with the supervising teacher.

**Note:** Supervising teacher/Head teacher to mark on the top of Internal Assessment as **Private student** and write down the marks of additional assignment (out of 5 marks) under Part C with a written note to state 'additional assignment'

## Common Prayers and Worship Songs

**Half yearly Examination:** One song and one prayer should be taught for half yearly examination.

**Annual Examination:** Additional two songs and two prayers should be taught for the second half of the Sunday school year.

## Syriac / Greek word meanings

OSSAE-UK facilitates children to be familiarizing with Syriac / Greek words which are used in our Liturgy. Syriac / Greek word meanings are intended for classes above IV only. Selected Syriac / Greek words are given under resources and students will be assessed based on what they are expected to know during their Sunday school education. (See Attached Syriac / Greek vocabulary and phrases).

## General Guidelines on Examinations

† **Examinations** should be conducted in the presence/supervision of parish vicar, and question papers should be released by the Vicar.

† Head teachers will be responsible for conducting examinations in a fair manner.

† District inspectors will have the duty to visit any Sunday schools in their respective district without notice to ensure examinations are carried out as per the direction.

† Head teachers are expected to safe keep the answer booklets of all students until the completion of annual examination in following year. Head teachers should produce the same for verification if the District Inspectors require it at any time during the year.

† Evaluations of the annual examination papers are to be carried at respective Sunday school unit except for classes X and XII

† Sunday school Director will email annual examination question papers and answer key to the Head Teachers via District Inspectors at least 3 days prior to the actual examination for classes up to IX.

† Sunday school Director will be responsible for distributing class X and XII Question and answer booklets to the head teachers in a sealed envelope at least two days prior to the actual examination.

Sunday school Director will coordinate the examination proceedings with assistance of District Inspectors and collect all the answer sheets along with completed Internal Assessment charts for evaluation by OSSAE.

† **Pass marks:** In all classes, 35 % marks combining written and internal assessment marks will be considered as minimum pass marks.

† **Written Examination:** All classes from 6 should write all parts of the examinations. If Head Teacher and Vicar of a unit feel class 6 students are not ready to write hymns and prayers, they can test hymns and prayer orally.

† Year X and XII Mid term exams will be conducted on first weekend of July from 2017 onwards to avoid clashes with A levels and GCSE exams.

† For students to be promoted to next class, they must have at least 50% attendance and must write the Annual Examination/Annual Resit Examination. However, no prizes will be awarded for Resit examinations.

## Sunday School Calendar

Sunday School Calendar should be used across all units uniformly. Main dates in the calendar are based on Sundays. However, parishes having services on Saturdays may conduct that particular activity on the same weekend/Saturday.

† Head teachers to ensure that Sunday school activities are communicated to the vicar and managing committee in advance (please give a copy of Sunday School Calendar to vicar/secretary) so as to include the events in parish calendar.

† As per our agreed common goal, Head teachers are advised to take necessary steps to re-arrange Sunday school activities from Saturdays to Sundays for much more uniformity and to serve the purpose of Sunday schools on a long-term vision.

† Examination dates for Class X and XII will be as per the date of OSSAE examination on Saturday, 29<sup>th</sup> December 2018

† All other annual examinations are to be conducted on Sunday, 9<sup>th</sup> December 2018 and head teachers should make arrangements in advance by booking space for conducting the examination appropriately and contact District Inspectors /Sunday school Director to avail question paper and answer keys online. Please note, as instructed last year, there will be only one exam weekend. Parishes having Sunday school on Saturdays are permitted to conduct examinations on the 8<sup>th</sup> December 2018.

† Please be reminded that 2<sup>nd</sup> December 2018 will be the **Sunday school Day for 2018** and schools to allocate at least 15 minutes to collectively celebrate Sunday School Day and pray for the Sunday school of our Church.

† Head Teachers to ensure that all Sunday school activities are conducted safely in the usual place of worship under head teacher's supervision or in her/his absence the deputed teacher's supervision. Safety of children is paramount at all times and hence be reminded to adhere to the child safety and safeguarding policy of the Diocese.

## **Guidelines for Conducting SSFC and Veda Praveen Examination 2018**

Secondary School Final Certificate (SSFC)/Class X and Veda Praveen Diploma /Class XI+XII qualification of OSSAE are great accomplishments among Sunday school students. Passing this level of Sunday school education is considered and recognised traditionally as the qualification to become a Sunday school teacher. We prayerfully submit all our efforts while preparing those children for the final examination with a prayerful aspiration that they would continue to be involved in Sunday school either through further education or as next generation Sunday school teachers. In 2013, class X examination was conducted on a centralised basis for the first time in UK in line with the examination syllabus approved by the OSSAE. In 2014 onwards both classes X and XII examinations have been conducted successfully. We are hopeful that we will have more candidates sitting for XII exam, known as **Veda Praveen Diploma Certificate Examination**. We humbly take this opportunity to congratulate teachers and parents who prepared children for these examinations. We earnestly congratulate all children for their effort and precious time over these years for Sunday education in the midst of the highly demanding secular education, and no doubt both education together would help children to grow as responsible adults.
